

Pre-screening Tool for RSU63 Attendance

- ***Within the past 24 hours have you had a fever above 100.4 or taken fever reducing medication?***
- ***Have you had vomiting or diarrhea?***
- ***Do you have a sore throat, persistent cough, congestion or headache that are not related to allergies?***
- ***Are your eyes itchy, painful or draining?***
- ***Do you have an unexplained rash?***

If you answered yes to any of these questions, please stay home. Contact the school nurse or your primary care provider if you have questions.

Maine AAP recommends students return to school when they have been fever free for 24 hours without medication and symptoms are improving. Students will be sent home if they present with symptoms at school.
