## PRINCIPAL'S CORNER

## December is Here:

The children are super excited as we start the countdown until that "Magical" sleigh ride on Dec. 24. My thanks again to our 4<sup>th</sup> graders for sponsoring their annual outreach of the Santa's Elf Fund. All \$\$ collected will go towards making families in our communities who need help during the holiday season much brighter☺ The goal has been set at \$130 but our school continues to go above and beyond each year.

The first trimester progress reports will be handed out next Monday and if parents have any questions or concerns please reach out to your child's teacher. We have also scheduled the Fall Picture retake day at both schools for next Wednesday in the morning. Please call Mrs. Ferrill or Mrs. Kiley if you have any questions.

The children were so happy to have Art, Music, PE start back in person this week. Some met in individual classrooms and others in grade levels. These classes will all be taking place in the gyms (enough room to social distance) or outside weather permitting. Each grade level will have only one special "in person" each week, therefore please remember the children will have 2 remote classes on Friday to attend. I know the staff are happy to have the children back in person☺

As much as I would love to have 40-50 degree days, that can change in an instant, so please have students dress properly as winter is here in Maine. A change of clothes for our younger students can only be helpful for them each day.

*Mr. Spencer*

*Please remember to read (or have them read to you) each night and practice their math facts daily.*

### IXL ELA ROCKSTARS

#### WE NEED HAND-ME-DOWNS

If your children are growing out of any of their clothes, please consider donating to our school. We try to have clothes on hand for milk or water spills, recess mishaps, and other situations that may arise. If you would feel more comfortable, put an extra set of your student's clothes in their backpacks for such circumstances. Thank you!

#### DRIVING AROUND THE SCHOOL

Our students are at recess at various times throughout the day, so we will now be stopping all vehicle traffic from going around the school between the hours of 8:45am and 2:00pm. There will be cones blocking the pathway near Kindergarten. Daycare parents may go straight to daycare after 8:45am.

TRANSPORTATION Any questions about bus routes or pick up times can be answered by our Transportation Director, Jake Morgan @ (207) 561-9238.
