Good Conduct Award

I was thrilled to put my lists together of students who received the "Good Conduct" award for the 1st trimester. These students make good choices the minute they get on the bus in the morning until they are dropped off at night. They did not receive any bus lips, pink slips or incident reports during the 1st trimester. They will receive a "Paw" or "Eagle" certificate along with a personalized Eddington or Holden School pencil. I was extra pleased to see that 100% of the children in the Eddington School received the award and 96% of Holden 😊 Well Done!!!

It is so nice to have our students attending their specials "in person" at least once a week. Ms. Wright, elementary school librarian, has joined the classrooms via "google meets" and reads a book and has mini library lessons for the all the children as well. Thanks!!

The Holbrook Rec has been busy planning outdoor activities at both schools as well this winter. The Outing Club along with the Downhill Ski Program at Hermon Mtn. has many kids signed up and are off and going in January. Enjoy being outdoors and all the fun things planned for the next few months guys and gals.

We definitely plan on having a "Memory Book" again this year under the direction of Mrs. Perry (Eddington) & Ms. Bedore (Holden). Keep your eyes open for the envelope that should be coming home by the end of January and order your copy 😊 Any business wishing to place an ad in the book please contact me at either school.

- Any students that have been "schooling" from home and your parents feel you have worked hard and deserve the "Good Conduct" award just call the school and talk to me. We can get the certificate & pencil to you somehow.

DRIVING AROUND THE SCHOOL

Our students are at recess at various times throughout the day, so we will now be stopping all vehicle traffic from going around the school between the hours of 8:45am and 2:30pm.

Daycare parents may go straight to daycare **after 8:45am.**

*****BIG REMINDER:** Our offices get very busy from 2:30-3:00pm, so if you have to call please do so before 2:30. The secretaries will really appreciate this, unless it is an emergency of course!

Please remember to read (or have them read to you) each night and practice their math facts daily.

Happy New Year!

Healthy Celebrations

We know that celebrations are often associated with food--especially cupcakes, candy, and juice--but it's important to show children that they can **have fun, feel special, and celebrate without food**. Non-food celebrations can be some of the most fun and popular ways to honor a special event. Try some of these **fun-filled ideas the next time you want to celebrate!** Let's Go! has developed this [Letter to Families](#) as a resource for you to use!

And be sure to [register](#) for the **Healthy Celebrations webinar on January 25th!**

For the birthday child:

- Allow the birthday child to be the **class assistant** for the day to **help with special tasks**, such as making deliveries around the school or leading the line.
- Create a **"Celebrate Me" book**. Have teachers or peers write stories or poems and draw pictures to describe **what is special about the birthday child**.
- Create a **special birthday package**. For example, the birthday child could **wear a sash and crown**, sit in a **special chair** and **receive a special birthday surprise** like a sticker, birthday card, or coloring book.

For other celebrations:

- Have a **dance party**.
- Provide **extra recess** or activity time.
- Have a special **show and tell**.
- Have a **scavenger hunt**.
- Eat **lunch outside**.
- Set up an **obstacle course**.
