PRINCIPAL'S CORNER

February is Here

It is hard to believe that February is truly here. The time is flying for sure and we feel very fortunate to be attending school four days a week. Friday is a busy day for the staff as we hold staff meetings, they have their own morning meetings and then they spend the rest of the day preparing lessons for the following week and packets for those students that are all remote.

A big shout out to Ms. Wright, our district-wide librarian who is hosting a virtual "Makers Club" gathering for 4th graders. She will continue to offer this activity to 3rd and then 2nd graders over the next few months. She is also doing a virtual "bedtime read aloud" for our youngest children on Tuesday nights, one at 6:30pm and another 7:00pm. If you need any information on the above events please call the school secretaries. Thanks again Ms. Wright, you are the best 😊

The Eddington School wants welcome Mrs. Kim Khoury Kelley who will be working in the life skills room as an Ed-Tech. She comes with lots of experience, 26 yrs. years at Brewer and she resides in our community as well. I do believe she will be a great fit for the students and staff in that program 😊

We welcome February and the kids are counting down the days until their winter break. Wow!!!! February is here.....

Any students that have been "schooling" from home and your parents feel you have worked hard and deserve the "Good Conduct" award just have them call school and talk to me. We can get the certificate & pencil to you somehow.

Mr. Spencer

Please remember to read (or have them read to you) each night and practice their math facts daily.

SHOOTING STARS BASKETBALL

Due to the pandemic we will not be having the shooting stars basketball program this year. Hopefully next year things will be back to normal.

It is with great sadness that I am resigning from running the Shooting Stars basketball program. A group of moms started it back in 2005 with the hopes that kids could learn the basics of the game and have a little bit of fun with it. We never thought it would be such a huge part of Holbrook Rec. Over the 15 years of organizing, fundraising and coaching I really could not have done it without the endless people of this community. There are far too many to name but you know who you are.

A huge shout out to our secretaries past and present for all your help with newsletters and registrations, Mr. Spencer who honestly is a rock in the district who helped organize gym times, custodians to kept the schools open for us and the Holbrook Rec committee who gave us the go ahead to have the program each year. They saw how amazing it was once the kids hit the peewee age and many of the coaches helped out with shooting stars each year.

I also want to thank the sponsors that made it possible to have a free program for our kids to participate in. Our goal was always to have children play and for parents to not worry about the cost. We met our goal every year because of the amazing businesses supporting our districts. I want to thank the parents who came each week to watch their kids enjoy a sport they all loved. I will miss seeing the smiles on all those little faces. Continue to shoot for the stars!
