February Break is Here!

The children had a wonderful time celebrating Valentine's Day on Thursday and are now ready for winter break. We hope everyone takes time to relax and enjoy the Maine outdoors during vacation. The staff have been certainly been working extra hard during these "Covid" times and a big "Kudos" to all of them 😊 Enjoy your break and reenergize for a busy few months ahead. I heard I missed out on a fun-filled "100th" day at the Eddington School. Rumor has it there were lots of crowns worn by kindergartners and lots of "old folks" (perhaps a 100 yrs. old) in grade one. I did hear the "Golden Girls" made a special appearance and Mr. Porter (school custodian) was hands down the most entertaining character of the day 😊 Great job everyone!!! Always fun things happening at the "Palace" on Rt. 9 in Eddington.

It was "Harry Potter" week in grade 3 at the Holden School and speaking of more fun...I was able to see lots of witches, (the 3rd grade teachers were in their black..) wizards and so much more. Love the wanted posters 😊 I have also enjoyed going into my 4th grade classes and read to them on a weekly basis. (My favorite book I read to my 5th graders at Holbrook many yrs. ago). I have missed many events this school year because of this pandemic, but so, so happy to be back reading to my students 😊 Hope to get back to all grades soon 😊

Have a great break everyone!!!!!!!!!!!!!!

Mr. Spencer

Please remember to read (or have them read to you) each night and practice their math facts daily.

SHOOTING STARS BASKETBALL

Due to the pandemic we will not be having the shooting stars basketball program this year. Hopefully next year things will be back to normal.

It is with great sadness that I am resigning from running the Shooting Stars basketball program. A group of moms started it back in 2005 with the hopes that kids could learn the basics of the game and have a little bit of fun with it. We never thought it would be such a huge part of Holbrook Rec. Over the 15 years of organizing, fundraising and coaching I really could not have done it without the endless people of this community. There are far too many to name but you know who you are.

A huge shout out to our secretaries past and present for all your help with newsletters and registrations, Mr. Spencer who honestly is a rock in the district who helped organize gym times, custodians to kept the schools open for us and the Holbrook Rec committee who gave us the go ahead to have the program each year. They saw how amazing it was once the kids hit the peewee age and many of the coaches helped out with shooting stars each year.

I also want to thank the sponsors that made it possible to have a free program for our kids to participate in. Our goal was always to have children play and for parents to not worry about the cost. We met our goal every year because of the amazing businesses supporting our districts. I want to thank the parents who came each week to watch their kids enjoy a sport they all loved. I will miss seeing the smiles on all those little faces. Continue to shoot for the stars!

AFTER SCHOOL OUTING CLUB

We are excited to start an afterschool outing club for those students looking to get outside and enjoy the fresh Maine air. The schedule will be as follows: **Monday at Eddington School, Tuesday at Holden School, Thursday at Holbrook School, Friday at Dedham School (Dedham School will be grades K-4 only).**

Starting January 11, 2021 running through April 1, 2021.

Students will only be allowed to join the club at the school they attend.

The program will run from **3:15-4:30** at these locations. All activities will be outside with masks and social distancing. We are hoping to have parents get involved at each school to help make this program a success. Some of the activities are listed below, but are not limited to:

Capture the Flag, Snowshoeing, Hiking (Chick, Little Chick, Bald, Black Cap), Skiing, Walking Trails behind each school, Ice Fishing Derby, Hopscotch/4 square (with gloves), Jump rope, Kick ball, Flag football, Dances, Tag with pool noodles, Sledding at Dedham Hill, Biathlon -Ski and Shoot- (Dart guns), Triathlon- Run, Snowshoe and Ski, and Obstacle courses.
