Dismissal: Please notify the office and your child's teacher of any dismissal changes before 2:00pm (except in cases of emergencies). This helps us get everyone home safely!

Picture Re-Take Day has been scheduled for Monday, November 13th. Information has been sent home with students.

RSU #63 Sponsor-A-Child

Christmas is close at hand, and in these hard economic times, many families are struggling to make ends meet. If you are in need of help for making Christmas brighter for your little ones, please call the school office and let us know (843-6010).

We will accept donations to our Day of Service project until Monday, Nov. 13th

A BIG thank you to everyone that has already brought in snack items 😊

Ski & Snowboard Club

Two 4-week sessions will take place on Wednesday evenings in January and February. Sign up for one session or both!

Who is this for?

Students in kindergarten through 8th grade in Holden, Eddington, Clifton and Dedham. No prior ski/snowboard experience needed.

Dates

Session 1: January 10, 17, 24, 31st with make up date of Feb 7
Session 2 will start as soon as session 1 is complete. Tentative dates: Feb 7, 14, 28, March 6th. Make up date 13th.

How does it work?

Kids are bussed from Eddington, Holden, Holbrook and Dedham schools to Hermon Mountain. Volunteer leaders will meet them at the mountain and ensure they get their tickets and either go to their lesson or have a buddy to free ski/snowboard with on the mountain.

If your child is renting, a volunteer will help them get set up with gear at the mountain. If you child has gear, it can get dropped off at Holbrook school on Wednesday mornings and will be loaded onto the bus and brought to the mountain.

Lessons run from 4:30-5:30. Participants must be picked up by 7pm.

Volunteers needed!

No ski/snowboard experience needed. We are looking for helpers on the mountain and in the lodge. Let us know how you can help by filling out this form:

November 10, 2023

The students and staff here at the Eddington School would like to take a moment to recognize all the brave men and women, past and present, in our armed forces. A simple Thank You isn't enough to show our gratitude for all you do to keep our way of life as it is today. We salute you for your time and dedication today and tomorrow.

On November 9, we had our evacuation drill. The students and staff did a fantastic job, as usual. A big thank you to the Eddington Fire Department and the RSU #63 transportation department for making this happen.

As a reminder, there is no School on November 10, as we will observe Veteran's Day with our families.

Monday, November 13, is picture re-take day at the Eddington School. If you want your child's pictures re-taken, they will be here in the morning.

Friday, November 17, is Chris Greeley's Day of Service. Our students have been collecting non-perishable items to send to service men and women overseas. Students have also been making cards and pictures of items that remind them of Maine. I am beyond proud of how well the families, staff, and students have come together to make this happen so far.

Parents, it is getting colder outside, so please ensure your child comes to school with hats and mittens, especially at recess time.

Keep practicing those math facts and read to your child each night!!!

CURRICULUM CORNER

Welcome to the Curriculum Corner,

Please take a few minutes to fill out this [District Evaluation](#) This is an anonymous survey unless you put your name at the end. I have only received 3 responses and would love more.

The teachers and I are working on a new assessment system for literacy in our district. We are focusing on assessments that allow us to measure progress in all the major areas of literacy: Phonics, Phonemic Awareness, Vocabulary, Fluency and Comprehension.

The State of Maine has a Literacy for ME plan. Here is a link to some valuable information: [Literacy Resources Guide for Parents and Community](#). Listing of online links to literacy-related organizations at the state and national level. Through these organizations, a variety of literacy related information and resources can be obtained.

Thank you!
