📢 Announcements

Eddington Elementary School Parents Page is on Facebook! Click the logo to visit & follow our page for school updates and info.

Dismissal: Please notify the office and your child's teacher of any dismissal changes before 2:00pm (except in cases of emergencies). This helps us get everyone home safely!

We have MANY lost and found items. If you would like to take a look to see if any of the items belong to your child, please let the office know.

RSU #63 Sponsor-A-Child

Christmas is close at hand, and in these hard economic times, many families are struggling to make ends meet. If you are in need of help for making Christmas brighter for your little ones, please call the school office and let us know (843-6010).

The students at the Eddington School took part in Chris Greeley's Day of Service. Our project consisted of collecting non-perishable food items to send to the 142 Aviation unit of the Maine National Guard stationed overseas. Our project started at the beginning of November, and we did well. The students did a great job, and we thank everyone who contributed to this project.

We had so much fun celebrating the upcoming Thanksgiving holiday!

Happy Thanksgiving

November 17, 2023

From all of us here at the Eddington School, we would like to wish all our families a happy and healthy Thanksgiving. Use this time to relax with your family and friends and enjoy quality time at home. As a reminder, Monday - Friday (November 20 - 24), there is no school for students.

When we return on Monday, November 27, the Eddington School will travel to the Holden School to watch a play by the Frogtown Puppets. We watched this last year, and it was terrific. We look forward to seeing what they do this year.

December 8 will be an early release day at 12:00 noon for students, as teachers will use the afternoon to prepare progress reports for the first trimester.

As I have shared before, this is my favorite time of year. I have much to be thankful for. I am grateful for the outstanding staff that I get to work with every day. I am thankful for the families that allow us to work with their children daily at the Eddington School. Most importantly, I am thankful for the students and their hard work in making the Eddington School the place it is today. We are fortunate to have the best students in the area and look forward to seeing them grow. Have a great break, everyone!

Keep practicing those math facts and read to your child each night!!!

Mr. Baker

The Word of the Week is: Salley

CURRICULUM CORNER

Welcome to the Curriculum Corner,

Please take a few minutes to fill out this [District Evaluation](#) This is an anonymous survey unless you put your name at the end. I have only received 3 responses and would love more.

The teachers and I are working on a new assessment system for literacy in our district. We are focusing on assessments that allow us to measure progress in all the major areas of literacy: Phonics, Phonemic Awareness, Vocabulary, Fluency and Comprehension.

The State of Maine has a Literacy for ME plan. Here is a link to some valuable information: [Literacy Resources Guide for Parents and Community](#). Listing of online links to literacy-related organizations at the state and national level. Through these organizations, a variety of literacy related information and resources can be obtained.

Thank you!
