December 22, 2023

We have made it until Christmas break. The students had a great time with Rudolph day on Thursday of this week. The students completed lots of activities, games, and crafts.

I hope that when we return after winter break, we can have some snow so the students can do some outside sliding. Parents, please ensure your child is dressed for the weather. If students want to play in the snow, they need to have snow pants, boots, mittens, and a coat.

From all the staff here at the Eddington School, we wish all our students, families, and friends a Merry Christmas and a Happy New Year. We can't wait to see you next time in 2024. This week's secret word for reading the newsletter is: Rudolph.

Keep practicing those math facts and read to your child each night!!

Mr. Baker

There were no Eaglet winners selected as the Assembly did not take place this week; everyone was enjoying the pancake breakfast!!!

CURRICULUM CORNER

Welcome to the Curriculum Corner,

Teachers have been working hard on Curriculum Maps that will be completed by the end of the school year. They will then be available on our District Website along with a Scope and Sequence so you can see what topic your child(ren) is learning and when.

I recently received a great one pager on Dyslexia that I wanted to share. We are required to have a screener for our students. We will, by the end of the year, be using DIBELS 8 as our screening tool. This will be administered to students 3 times a year.

Thank you!

Dyslexia

- is real.**
It's a learning difference that makes reading difficult. It often runs in families. Researchers have been studying dyslexia for more than 100 years.
- is common.**
Some experts say 5 to 10 percent of people have dyslexia. Other say as many as 17 percent show signs of it.
- is lifelong.**
With the right support, people with dyslexia can get better at reading. Many thriving adults with dyslexia say it helped them be more creative and resilient.

Trouble areas

- Sounding out written words
- Recognizing common words in text
- Spelling
- Reading accurately and smoothly
- Understanding what's read
- Writing
- Rhyming
- Solving word problems in math
- Learning a foreign language

Ways to help

1. Step-by-step instructions on the basics of reading, with each concept mastered before moving on
2. Different ways for people to show what they know, like speaking rather than doing a written report
3. Technology like audiobooks and text-to-speech to level the playing field

Dyslexia isn't a problem of intelligence, laziness, vision, or reading letters backwards.
