# Announcements

Eddington Elementary School Parents Page is on Facebook! Click the logo to visit & follow our page for school updates and info.

Dismissal: Please notify the office and your child's teacher of any dismissal changes before 2:00pm (except in cases of emergencies). This helps us get everyone home safely!

Parents: Please check at home to see if your child has a library book that is overdue. If so, please send it into school with your child. Thank you!

The cold, winter weather has arrived!! Please send a bag (with handles) with a set of: mittens or gloves, hat, snow pants, sweater or sweatshirt, and indoor shoes so that it can be hung on your child's hook for the week. This will ensure that students have what they need throughout the school day.

Happy  
New Year

January 5, 2024

Happy New Year to all of our students and parents here at the Eddington Elementary School. We truly hope everyone had a fantastic winter break and the opportunity to spend time with family and friends. The students seem to be excited to be back in school, and if we can get some sustainable snowfall, we can break out the sleds and be able to go sliding during recess time.

As many of you already know, our school counselor, Mrs. Moulton, has been diagnosed with cancer and is taking time off for treatment and rest. Our thoughts and prayers are with her and her family during this challenging time. The amazing staff at both the Holden School and the Eddington Elementary School are planning fundraisers (flyers are above); we will keep everyone updated as we get close to these events.

Parents, please remember to make sure your child comes to school each day with snow pants, boots, coats, hats, and mittens (these items can be left at school during the week). If your child does not have these, they must stay on the asphalt during recess time. Please also make sure that your child has sneakers or shoes to wear during the day so they don't need to wear boots the entire school day.

**Keep practicing those math facts and read to your child each night!!**

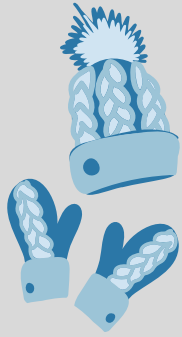

Mr. Baker

The word of the week is: Snow

## CURRICULUM CORNER

Welcome to the Curriculum Corner,

Teachers have been working hard on Curriculum Maps that will be completed by the end of the school year. They will then be available on our District Website along with a Scope and Sequence so you can see what topic your child(ren) is learning and when.

I recently received a great one pager on Dyslexia that I wanted to share. We are required to have a screener for our students. We will, by the end of the year, be using DIBELS 8 as our screening tool. This will be administered to students 3 times a year.

Thank you!

Tina Dumond

Director of Curriculum and Instruction

Gifted and Talented Administrator

McKinney-Vento Liaison

RSU #63

# Dyslexia

- is real.**  
It's a learning difference that makes reading difficult. It often runs in families. Researchers have been studying dyslexia for more than 100 years.
- is common.**  
Some experts say 5 to 10 percent of people have dyslexia. Other say as many as 17 percent show signs of it.
- is lifelong.**  
With the right support, people with dyslexia can get better at reading. Many thriving adults with dyslexia say it helped them be more creative and resilient.

### Trouble areas

- Sounding out written words
- Recognizing common words in text
- Spelling
- Reading accurately and smoothly
- Understanding what's read
- Writing
- Rhyming
- Solving word problems in math
- Learning a foreign language

### Ways to help

1. Step-by-step instructions on the basics of reading, with each concept mastered before moving on
2. Different ways for people to show what they know, like speaking rather than doing a written report
3. Technology like audiobooks and text-to-speech to level the playing field

**Dyslexia isn't a problem of intelligence, laziness, vision, or reading letters backwards.**
