Announcements

Eddington Elementary School Parents Page is on Facebook! Click the logo to visit & follow our page for school updates and info.

Dismissal: Please notify the office and your child's teacher of any dismissal or bus changes before 2:00pm (except in cases of emergencies).

This helps us get everyone home safely!

The cold, winter weather has arrived!! Please send a bag (with handles) with a set of: mittens or gloves, hat, snow pants, sweater or sweatshirt, and indoor shoes so that it can be hung on your child's hook for the week. This will ensure that students have what they need throughout the school day.

Ski and Snowboard Club Enrollment and Payment Deadline for Session 2 is Extended to 1/24

Hop on the Holbrook Rec and Hermon websites to enroll and pay today and be sure to fill out the waiver if your child will be taking lessons or renting. No waiver needed if you're just purchasing tickets or have a season pass. More details regarding dates and what to expect can be found on the website. Reach out to Kate Garland katherine.garland@maine.edu if you have any questions.

A BIG "THANK YOU" TO THE EDDINGTON STORE FOR THE SNACK DONATIONS!!

Tickets will also be sold at the Spaghetti Supper 2/2/24

PRINCIPAL'S CORNER

[Newsletter Incentive](#)

January 19, 2024

The students are excited about the arrival of the first significant snowfall of the year. What great timing as the next day was the start of the Ski and Snowboard Club on Wednesday through the Holbrook Rec. Department. Make sure your child has extra mittens if they are taking part in skiing, so they have a dry pair to ski with as many mittens will not dry before the end of the school day. With the arrival of the white stuff, please make sure your child has snow pants, boots coats, hats, and mittens for recess. We have a few pairs of mittens that students can borrow, but our supply is getting limited. If students don't have snow gear, they will need to stay on the tar during recess time.

The Holbrook Rec. Department started their Outing Club after school on Thursday of this week, under the supervision of Mr. Sagehorn. If your child is interested in taking part, please sign up through the Holbrook Rec. Department.

The fundraising for Mrs. Moulton is going strong. We have three heat pumps, a ton of pellets, and many other amazing donations. If you would like to purchase raffle tickets, please fill out the form which was sent home with students last week, reach out to any staff member at the Eddington or Holden School, or check out the PTG Facebook page.

We are taking names for students to enroll in Pre-K and Kindergarten for the 2024-2025 school year. If you know of a family that is looking to enroll their child at the Eddington School, please have them call the school at (207)843-6010.

Please remember to call or email the school if your child is out so we can mark them as excused. Also please make sure your child has sneakers or shoes to wear during the day so they don't need to wear boots during the school day.

Keep practicing those math facts and read to your child each night!!

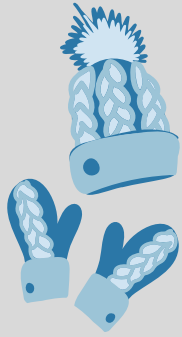

Mr. Baker

The newsletter word of the week is: mittens.

CURRICULUM CORNER

Welcome to the Curriculum Corner,

Teachers have been working hard on Curriculum Maps that will be completed by the end of the school year. They will then be available on our District Website along with a Scope and Sequence so you can see what topic your child(ren) is learning and when.

I recently received a great one pager on Dyslexia that I wanted to share. We are required to have a screener for our students. We will, by the end of the year, be using DIBELS 8 as our screening tool. This will be administered to students 3 times a year.

Thank you!

Tina Dumond

Director of Curriculum and Instruction

Gifted and Talented Administrator

McKinney-Vento Liaison

RSU #63

kumond@rsu63.org (207)843-7769 ext.129

An infographic titled "Dyslexia" with a clean, modern design. It features three main sections on the left: "is real.", "is common.", and "is lifelong.", each with a heart icon and explanatory text. On the right, there are two sections: "Trouble areas" with a list of specific difficulties and "Ways to help" with a numbered list of strategies. The infographic is branded with the "Understood" logo at the bottom left and a copyright notice at the bottom right.

Dyslexia

is real.
It's a learning difference that makes reading difficult. It often runs in families. Researchers have been studying dyslexia for more than 100 years.

is common.
Some experts say 5 to 10 percent of people have dyslexia. Other say as many as 17 percent show signs of it.

is lifelong.
With the right support, people with dyslexia can get better at reading. Many thriving adults with dyslexia say it helped them be more creative and resilient.

Trouble areas

- Sounding out written words
- Recognizing common words in text
- Spelling
- Reading accurately and smoothly
- Understanding what's read
- Writing
- Rhyming
- Solving word problems in math
- Learning a foreign language

Ways to help

1. Step-by-step instructions on the basics of reading, with each concept mastered before moving on
2. Different ways for people to show what they know, like speaking rather than doing a written report
3. Technology like audiobooks and text-to-speech to level the playing field

Dyslexia isn't a problem of intelligence, laziness, vision, or reading letters backwards.
