Dismissal: Please notify the office and your child’s teacher of any dismissal or bus changes before 2:00pm (except in cases of emergencies). This helps us get everyone home safely!

REMINDERS!

- Please do not drop off your child before 8:00 a.m. as there is no staff on duty before then.
- Only PreK parents should walk their child to the classroom; we encourage Kindergarten and 1st Grade students to walk on their own or with a staff member.

Thank you!

The Eddington School is currently accepting enrollment registration for PreK and Kindergarten for 2024-2025. Registration forms can be found on the RSU #63 website or can be picked up at the Eddington School.

Is there a potential for a snow day on Tuesday? We will see. With three snow days already this year, I fear these days will cut into our summertime fun and make it feel shorter. We have one week of school left before February vacation and a lot is happening this week, but we will make it through.

The fundraiser for Mrs. Moulton was a huge success. We cannot thank families and friends enough for coming out to the Spaghetti Dinner and purchasing tickets for the raffle. With everyone's effort, more than $30,000 was raised to help Mrs. Moulton with medical costs and treatments. This shows the impact that she has on the staff and the students here at RSU #63. Again, thank you for everyone’s donation and time.

The Holbrook Recreation Department has an Outing Club after school on Thursdays at the Eddington School. Mr. Sagehorn supervises it. If your child is interested in participating, please sign up through the Holbrook Recreation Department.

We are taking names for students to enroll in Pre-K and Kindergarten for the 2024-2025 school year. If you know of a family looking to enroll their child at the Eddington School, please have them call us at (207)843-6010. Applications may be downloaded from the RSU #63 website.

Please call or email the school if your child is out so we can mark them as excused. The newsletter word of the week is: sweet.

**Keep practicing those math facts and read to your child each night!!**

Welcome to the Curriculum Corner,

Teachers have been working hard on Curriculum Maps that will be completed by the end of the school year. They will then be available on our District Website along with a Scope and Sequence so you can see what topic your child(ren) is learning and when.

I recently received a great one pager on Dyslexia that I wanted to share. We are required to have a screener for our students. We will, by the end of the year, be using DIBELS 8 as our screening tool. This will be administered to students 3 times a year.

Thank you!
