We have a new procedure for picking up your child before the end of the regular school day: please make sure to stop at the secretary’s office to sign your child out in the binder on the counter.

Please let the office know when your child is absent; you may call (843-6010) or email (kjsmith@rsu63.org). This will ensure that information is communicated promptly.

Dismissal: Please notify the office and your child’s teacher of any dismissal or bus changes before 2:00pm (except in cases of emergencies). This helps us get everyone home safely.

Please do not drop off your child before 8:00 am as there are no staff on duty before then.

Only PreK parents should walk their child to the classroom; we encourage Kindergarten and 1st Grade students to walk on their own or with a staff member.

Thank you!

We made it to February break. My only regret is that I wish we had a little more snow for the students to go outside and slide and build snow castles and forts. We might have some snow over vacation so that students can have fun in the snow.

On Monday of this week, we celebrated our 100th day of school. The staff and students dressed as older people and we saw some great costumes. This has always been a highlight for the Eddington School and one of my favorite times of the year.

We continue to have Pre-K and Kindergarten open registration here at the Eddington School. If you know of any families in the towns of Holden, Clifton, or Eddington that have children and would like to enroll, they may stop by the Eddington School to pick up a registration packet Monday - Friday (8:00 a.m. - 4:00 p.m.).

Parents, please let the office know when your child will be out. This will ensure that information is communicated promptly.

I hope everyone has a restful week; if you’re a basketball fan, try to get to the Cross Center in Bangor and watch some excellent high school basketball tournament action. The newsletter word of the week is: skate.

Keep practicing those math facts and read to your child each night!!

Welcome to the Curriculum Corner,

It has been a while since I last wrote. The state has created a Literacy Grant and we have been allocated a little over $19,000 to spend on literacy programs and supplies to keep us up-to-date with the latest research and best practices. We will be working on getting the research of the Science of Reading in all of our classrooms.

Here are two sites that parents can use to help their children at home:
https://spectrumlocalnews.com/me/maine/education/2024/02/12/maine-urges-parents-to-take-the-read-to-me-challenge
