We have a new procedure for picking up your child before the end of the regular school day: please make sure to stop at the secretary's office to sign your child out in the binder on the counter.

Please let the office know when your child is absent; you may call (843-6010) or email (kjsmith@rsu63.org). This will ensure that information is communicated promptly.

Dismissal: Please notify the office and your child's teacher of any dismissal or bus changes before 2:00pm (except in cases of emergencies). This helps us get everyone home safely.

Please let the office know when your child is absent; you may call (843-6010) or email (kjsmith@rsu63.org). This will ensure that information is communicated promptly.

Please do not drop off your child before 8:00 am as there are no staff on duty before then.

Only PreK parents should walk their child to the classroom; we encourage Kindergarten and 1st Grade students to walk on their own or with a staff member.

Thank you!

Now that February break is over, it is time to get back into the swing of things and continue where we left off. I hope everyone was able to rest and enjoy the time off with family and friends.

March 4-8, the School will celebrate Reading Across America and Dr. Seuss Week. Each day, students can wear something that relates to the book of the day. For example, on Monday, the story is “One Fish, Two Fish” and students may wear something red and/or blue. Please refer to the calendar below for what the corresponding attire is suggested for each day.

We continue to have Pre-K and Kindergarten open registration here at the Eddington School. If you know of any families in the towns of Holden, Clifton, or Eddington that have children and would like to enroll, they may stop by the Eddington School to pick up a registration packet Monday - Friday (8:00 a.m. - 4:00 p.m.).

Parents, please let the office know when your child will be out. This will ensure that information is communicated promptly.

The newsletter word of the week is: pie.

Welcome to the Curriculum Corner,

It has been a while since I last wrote. The state has created a Literacy Grant and we have been allocated a little over $19,000 to spend on literacy programs and supplies to keep us up-to-date with the latest research and best practices. We will be working on getting the research of the Science of Reading in all of our classrooms.

Here are two sites that parents can use to help their children at home:
