Eddington Elementary School Parents Page is on Facebook! Click the logo to visit & follow our page for school updates and info.

Dismissal: Please notify the office and your child’s teacher of any dismissal or bus changes before 2:00pm (except in cases of emergencies). This helps us get everyone home safely.

Please do not drop off your child before 8:00 am as there are no staff on duty before then.

Only PreK parents should walk their child to the classroom; we encourage Kindergarten and 1st Grade students to walk on their own or with a staff member.

Thank you!

Outing Club will meet on Wednesday, March 13, due to the early release day on Thursday (the usual scheduled date).

The Eddington School is currently accepting enrollment registration for Prek and Kindergarten for 2024-2025. Registration forms can be found on the RSU #63 website or can be picked up at the Eddington School.
Another week is in the books. The students are learning and continue to grow each day. This week, we celebrated Read Across America and Dr. Seuss. The students always enjoy this week wearing different colors and items that represent the theme of the day.

We continue to have Pre-K and Kindergarten open registration here at the Eddington School. If you know of any families in the towns of Holden, Clifton, or Eddington that have children and would like to enroll, they may stop by the Eddington School to pick up a registration packet Monday - Friday (8:00 a.m. - 4:00 p.m.) or download a copy from the RSU #63 Website. We currently have about 17 students registered for Pre-K, but remember, we only have room for 32 students.

On March 14, 2024, students will have an early release day and will be dismissed at noontime. This also closes the second trimester for grading. In addition, on March 15, there will be no school for students in RSU#63.

We have a new procedure for picking up your child before the end of the regular school day. Please make sure to stop at the secretary’s office to sign your child out in the binder on the counter.

Parents, please let the office know when your child will be out. This will ensure that information is communicated promptly.

The newsletter word of the week is: clock.

Keep practicing those math facts and read to your child each night!!

Mr. Baker

Welcome to the Curriculum Corner,

It has been a while since I last wrote. The state has created a Literacy Grant and we have been allocated a little over $19,000 to spend on literacy programs and supplies to keep us up-to-date with the latest research and best practices. We will be working on getting the research of the Science of Reading in all of our classrooms.

Here are two sites that parents can use to help their children at home:
